Subject: Yorba Linda residents oppose the proposed RHNA

We are writing in protest to the regional housing needs assessment RHNA regarding Yorba Linda, CA. We have concerns regarding the methodology process and last minute modification adding 75,000 housing units to Orange County. This increase obliged Yorba Linda from 207 to 2,322 housing units. This is 1,122% more than the previous agreed proposal with unanimous support.

We ask that this process be fair and equitable.

Sincerely,
Ricardo and Janice Lim
Yorba Linda Residents
